REPORT CARDS

Since September, teachers have been collecting evidence of learning and entering assessment information in Edsby. Students and parents/guardians have been able to follow progress all semester through their Edsby portal.

During Course Finalization Days (CFDs), students will complete their final assessments and teachers will finalize semester 1 grades.

On January 31st, semester 1 grades will be published to the Edsby student and parent/guardian portal in the form of a report card. Every student can view their report card. **Parents/guardians will require an Edsby account to view their child's report card.** If parents/guardians have not already done so, they should find the Edsby invitation in their email or contact the school. After 1:00pm, students and parents/guardians will see a new "View Report Cards" button appear in their Edsby portal **under** their list of classes.
