

MySchoolSask (MSS) Student Portal Information

Regina Catholic Schools has moved to the provincial unified student data system known as MySchoolSask (MSS). Student accounts have been setup for all high school students in the MySchoolSask (MSS) Portal. These accounts will be replacing HomeLogic and will function in a similar way – students can access their timetables and gradebook via this student portal.

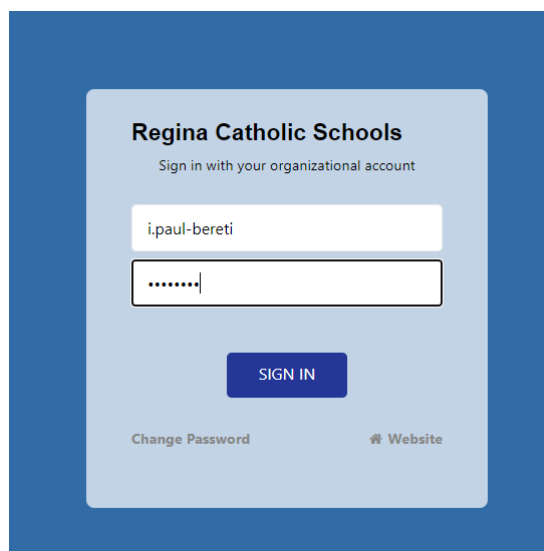

There is a single sign on setup so student account login information is the same as their student school computer login. See the log in instructions:

1. The link to the new MSS site is <https://myschoolsask.ca/aspen/logon.do>
2. At the bottom of the login screen, click the drop down and select Regina RCSSD 81 and then click the AASP button. There is no need to enter anything in the Login ID or Password fields.

The screenshot shows the login interface for MySchoolSask/MonÉcoleSask Production. It features a 'Login ID' field and a 'Password' field, both of which are empty. Below the password field are two links: 'Trouble logging in?' and 'I forgot my password'. A 'Log On' button is positioned below these links. At the bottom, there is a 'Log in using' dropdown menu currently set to 'Regina RCSSD 81', and an 'AASP' button with a logo to its right.

3. Students will be taken to this blue screen and here they enter their regular login.

The screenshot displays the organizational account login page for Regina Catholic Schools, set against a blue background. The page title is 'Regina Catholic Schools' with the subtitle 'Sign in with your organizational account'. It contains a username field with the text 'i,paul-bereti' and a password field with masked characters '.....'. A blue 'SIGN IN' button is centered below the password field. At the bottom, there are links for 'Change Password' and 'Website'.
