

# CLASS OF 2028

## Course Selection Information for Current Grade 10 Students

### How many classes must I take in Grade 11?

- A full schedule is always recommended
- Students must take a minimum of 8 (not including Band, Choral or Vocal Jazz)

### What if I failed a Grade 10 subject?

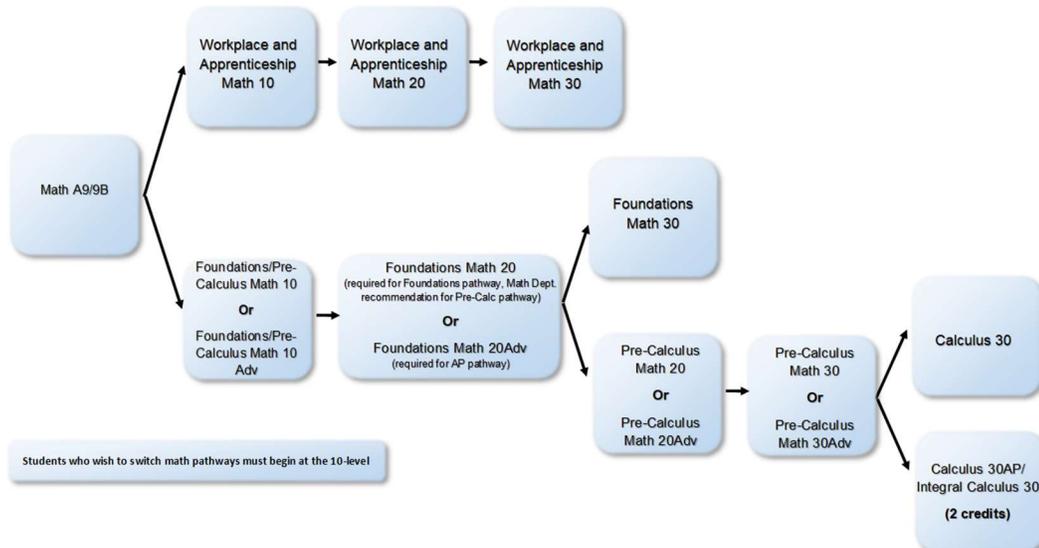

- If you did **not** pass a compulsory subject, you **must** select this class when entering your Grade 11 course choices into MSS, or speak to a Guidance Counsellor regarding summer school.

### What credits do I need to graduate from our school?

- Please see the back page for Personal Graduation Checklist

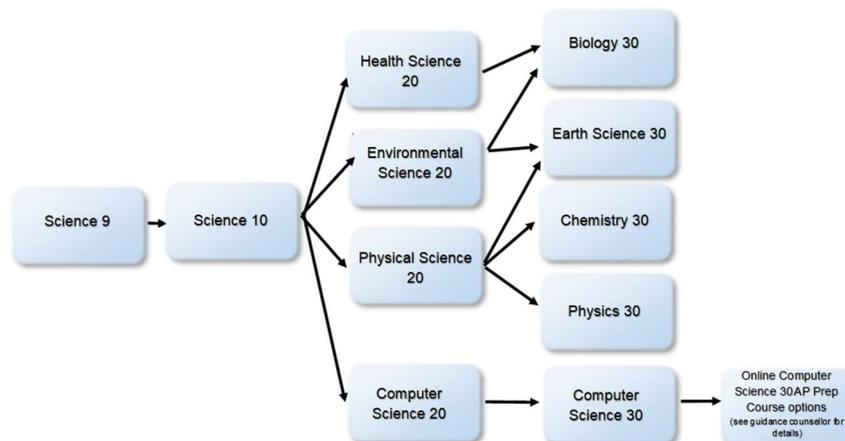

### What math courses should I take?

- The answer will depend on your career path. Start checking post-secondary requirements now to ensure that you have the correct math admission requirements.

### Which 20 and 30 level science should I take? (pathway diagram on next page)

- Allow your interests, post-secondary plans and career goals guide your decisions
- The pre-requisite for Physics 30 & Chemistry 30 is Physical Science 20
- The pre-requisite for Biology 30 is Health Science 20 or Environmental Science 20
- The pre-requisite for Earth Science 30 is Environmental Science 20 or Physical Science 20
- The pre-requisite for Computer Science 30 is Computer Science 20

### With my 24 credits, will I get into any post-secondary program I want?

- Not necessarily! Each institution has unique prerequisites. You must ensure that you meet entrance requirements
- Log into myBlueprint.ca
- Begin researching programs and institutions of interest.
- See a Guidance Counsellor for assistance

### Can I take subjects from other grade levels in Grade 11?

- With the exception of science and math, students **may not** take compulsory subjects from higher grades
- As long as students meet the prerequisite requirements, students **can** take 30-level elective courses.
- Students can also take 10-level courses.
- Riffel will be hosting a “Course Selection Fair” in the Commons Area on **Tuesday, February 24<sup>th</sup>, 2026** at lunch to explore elective options.

### What if I am interested in Advanced Placement courses in Grade 11 or 12?

- Discuss this with your Math, English, or Art teachers and with your parents/guardians
- Investigate the AP course offerings in Psychology, English, Calculus, and Studio Art
- If you are already taking advanced classes and want to continue, include these course selections in MSS (advanced courses must be taken both semesters)
- NOTE: If you are thinking of taking AP Psychology, you need to schedule Psychology 20 AP and Psychology 30 AP in the same year.

### Are there any new courses being offered in 2026-2027?

- New course offerings include: Mental Health Studies 20, Psychology 20 – ***Sport Focused***, Theatre Arts 20/30 (a practical and applied art credit), English Literature 20L (to be paired with Advanced ELA 20), English Literature 30L (to be paired with Advanced ELA 30), Creative Writing 30L

### When is the 2026-2027 Registration deadline?

- Due to limitations of lab space/equipment, some courses (Emergency Services, Foods, Photography, PAA) have a maximum capacity. To secure your spot, complete registration as soon as possible.
- Course registration is done through My School Sask (MSS) at home (with parent/guardian). The registration portal opens **Wednesday, February 25<sup>th</sup> at 12:00 am** and closes – **Wednesday, March 4<sup>th</sup>, 2026 at 11:59 pm.**

## What Should I Include In My Selections for Grade 11?

1. ELA 20 (if choosing ELA20 Advanced, also choose English Literature and Composition 20 as an elective below)
2. 20-level math: **one of** Workplace and Apprenticeship Math 20 **or** Foundations 20 **or** Pre-Calc Math 20)
3. Catholic Studies 20
4. 20-level science: **one of** Environmental Science 20, Health Science 20, Physical Science 20, Computer Science 20
5. Elective (any course of interest in [Program of Studies booklet](#) or 2<sup>nd</sup> math or 2<sup>nd</sup> science)
6. Elective (any course of interest in [Program of Studies booklet](#) or 2<sup>nd</sup> math or 2<sup>nd</sup> science)
