EXTRA CURRICULAR
AWARDS

TREATY ACKNOWLEDGEMENT

I wish to acknowledge that we are blessed to live and work alongside tremendous educators and wonderful students on Treaty 4 territory, traditional lands of the nêhiyawak, nahkawé, and nakota nations, and homeland of the métis, lakota, and dakota nations.

PRAYER

Dear Lord,

Thank you for the many gifts of participating in Extra-Curricular activities. The many activities we have at Riffel provide opportunities to build community, to do something we love, to try something new, to grow and evolve into all that you know we can be. During this time that we are a part, it is even more evident the ways our souls long for extra-curricular activities. May your infinite perspective provide us the eyes to reflect on the gifts that participating this year has brought into our lives. May your loving and healing embrace bring us the opportunity to gather as a community again and fully embrace joy that extra-curricular activities bring into our lives. Amen.

AWARDS

Although times are prohibiting us from celebrating together as a school community, we wanted to do something special to recognize our Riffel students who participate wholeheartedly in extra-curricular activities committing their time and efforts to making Riffel a community of pride, sportsmanship, inclusion and respect.

MOST VALUABLE PARTICIPANT AWARDS

Awarded to students who are leaders, who put the team/group ahead of themselves, have a high level of skill and commitment, persevere when times get tough, and participate with Royal pride and sportsmanship.
